

**Superior Joining Technologies, Inc**  
*A Precision Welding Laboratory*

- Woman Owned / Small Business
- FAA Repair Station
- FAA Drug and Alcohol Program
- Flexible Network Team Approach

***Key Feature:***

- Reverse Engineering Capabilities
- Blue Print to Finished Product
- Assemblies

***Customers:***

- Unison Industries
- GE Aerospace
- The Boeing Co.
- Hamilton Sundstrand
- BE Aerospace
- Zodiac
- Taylor
- T.A.C.

***Our Capabilities:***

- Aerospace Certified TIG Welding
- Micro-Welding TIG
- Micro-Welding **Laser**
- Resistance: Spot and Seam Welding
- Silver Brazing

***Special Processes:***

- 3D Six Axis Laser Cutting / Laser Welding
- NDT Fluorescent Dye Penetrant
- Magnetic Particle Inspection
- Laser Part Marking
- CMM Inspection

**ISO 9001:2000 without Design & AS9100 Revision B**

Registrar: Smithers Quality Assessments

NADCAP Accredited
